## *Foreword*

The Annual Staff presents the 1951 edition of MAPLE LEAVES for your enjoyment. In later years, in looking over this volume, we hope many happy hours will be relived in pleasant memories.

Our companions, teachers and classmates, have been woven by time and circumstance into the fabric of our lives. During these years together we have dreamed the deep dreams of youth. May we always be faithful to the good dreams, the finer dreams that beckon us forward to a better day.

Using the words of William Inge, may we say—

*“God grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom always to know the difference.”*

“Memories”

*Senior Class Poem*

Well, here we are; we finally made it;  
This Class of '51—  
And not to be bragging, but to express our opinion,  
We think the jobs well done.  
Just look at us and you'll agree  
That we're as nice as we can be.  
Just for a starter,  
Let's look at William Carter;  
They call him “Screwball”, but I don't know why.  
He gets along fine with Harvey Spry.  
There're Dawn and Margaret with their good looks,  
And of course there's Lauvln with all of her books.  
Kenneth Tickle is hale and hearty;  
Not like Jean Agee who is always tardy.  
And there is Dave Hale so brilliant at times—  
And, speaking of brains, we have Grace and Marie Lyons.  
There's Laddie Hale with his love for cars—  
And Jean Duncan, who sighs for love and the stars.  
Johnny Creger is long and lanky,  
Quite a contrast to our short Frankie.  
Barbara and Edna are certainly a quiet pair,  
While Sylvadean and Ginsey have that long blonde hair.  
Clarence and Bill are always polite and kind  
While Clayton and Morgan are naughty and out of line.  
Louise Bain is our blushing bride;  
And those giggles of Nancy's are hard to hide.  
Beverly Farmer is nice, but shy  
And Joe Miller is our Ex-G.I.  
Our dashing Senior is none other than Gary  
Just look at him, he's always merry,  
Doug, Jack, and Raymond are fun,  
But, then, so is Bill Thompson.  
All those jokes come from George and Bobby,  
And girls are Marzelle's hobby.  
Mary Sue is our comedian and actress—  
Give her a job and she will do her best.  
Betty and Mary Lois are reliable and smart,  
But, then so is Jane Parks.  
The most ambitious of us all, is Mrs. Whorley  
And Ruth Akers is our petit secretary.  
Our big, handsome, redhead, is Carl  
And our blonde, ladies' man is Charles.  
Bob Farmer is the one who is always late,  
But for Kenneth Tolbert we never have to wait.  
Claudine and Emma Lee are quite attractive;  
While Sara Mae is always active.  
There's David and Dailey and Mac,  
Now there's only one thing I lack  
And that one thing, you know, is me.  
I love music, dancing, and poetry.  
With all the knowledge safe inside our “domes”.  
We say goodbye to Dublin Hi  
Which long has been our home.

—RAMONA BEST

# WHAT MAKES A CHAMPION ATHLETE?

IS IT CONDITIONING. . . coaching . . . teamwork . . . physique . . . sportsmanship . . . competitive spirit . . . or just plain honest-to-goodness athletic skill?

We don't pretend to be athletic experts, because our job is to manufacture high quality textile products. But as sporting fans we think it would be safe to say that an athletic champion is the result of all these fine qualities.

We know that it has taken a combination of great leadership, manufacturing know-how, careful planning, employee loyalty, and skilled teamwork to make Burlington Mills a champion in the textile industry. The Company's many accomplishments and progressive growth during the past 27 years are well known. We are proud of this record and equally proud of our 32,000 employees who have worked together with real team spirit as members of the Burlington team.

It's a fact that Burlington's fine fabrics, hosiery and other textile products are truly "*Woven Into the Life of America*" — just as every Burlington plant is woven into the life of its own community.
